Winter League Update

Around half the winter league fixtures scheduled for January had to be postponed due to bad weather so there is still some way to go to complete the season.

First Team Our first team have played two further matches since the New Year losing both. Their record is now W3 D0 L3.

Second Team The seconds have had two matches cancelled since the New Year and also have four still to complete. Their record is W4 D1 L1.

Third Team The thirds have just one match left to complete having recorded a draw and a loss since the New Year. Their record is W0 D3 L6 so unfortunately relegation is on the cards.

Fourth Team The Fourths completed their programme with a win ending with a very respectable record of W4 D1 L5

The fixture meeting for the Summer League was held at the end of January and so now planning in earnest can begin. The first home matches start earlier than usual, at the start of April.

Men's Team Practices

Anyone who has played for the teams in the past or who wishes to be considered for the coming summer should make every effort to attend as many of these sessions as possible. There will be a small charge for the cost of floodlights and balls.

End of Season Event – November or December??

Do you have a view on if the End of Season Event should be held in November or December?

Given the popularity of last year's event, there may be an option to have it at The Bridge Hotel again with added space, but this would have to be in December (Sat 13th possibly?)
