### Men's Team Update

After a strong start to the season the club's men's teams have suffered mixed fortunes.

Our **First Team** came up against a very strong Hale side and went down 10-2 in their only match so far. In contrast the **Second Team** have already completed half their matches and their record now stands at W2 D1 L2.

The **Third Team** have struggled to turn out a settled team so far this season and have only one win from their four matches to date.

The **Fourth Team** have fared better, winning their first three matches comfortably before losing their fourth, whilst the **Fifth Team** also opened with two straight wins before losing heavily to a very strong Club AZ side and then away to Lymm in their most recent match.
