Men's Teams update

A flurry of matches for Tim Hazelhurst's **Fourth Team** saw them become the first of the men's teams to complete their fixtures. Any thoughts of relegation were dispelled with a nail biting 9-8 win away to David Lloyd Cheadle. The other two matches played went against Prestbury resulting in a final record of W4 D0 L5, Strines having withdrawn from the league, leaving one match unplayed.

The **First Team**, captained by Grant Lithgow, won their latest match 12-4 at home to Mellor and, with two matches remaining, can now be confident of a second place finish in Division One and play-off for a premier League place next season. Their record now stands at W7 D0 L1.

The **Second Team** (Captain: Herb Kilpatrick) are more or less safe for another year after a 9-3 win away to Bramhall Lane 3 following defeat in their derby match at home to Macclesfield firsts. Their record is now W3 D1 L4.

The **Third Team** (Captain: Steve Pearson) lost away to David Lloyd Cheadle and, with one match remaining, have a record of W D2 L5 which leaves them needing a result against West Heaton in a rearranged match this Sunday, to be sure of safety from relegation.

Our **Fifth Team**, led by rookie captain Gerry Mckenna, have one match remaining and, having lost their most recent match 6-12 at home to Lindow firsts, a third or fourth place finish in Division Six is in prospect. Their record now stands at W6 D0 L4.

Ladies' Teams update

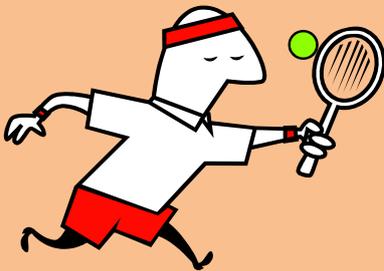

As we approach the end of the season, there is much to celebrate with the ladies teams!

The **1sts** have completed all their matches and have recorded 3 wins, 1 draw and 5 losses which is a great overall achievement especially as they lost 2 key players this season, and leaves them safe from relegation.

The **2nds** have had a terrific season recording 7 wins and 3 losses and currently in 4th place in their 2nd division. Several ladies have had the opportunity to play up in the 1sts contributing massively to the success of both teams.

The **3rds and 4ths** have been battling it out in Division 5! The 4ths have completed all matches and have recorded 8 wins and 2 losses and are currently 2nd in the division with a chance of promotion. However, the 3rds have 1 match left and currently have 7 wins and 2 losses so everything to play for in their final match. It looks as if 1 of these teams should gain promotion with very creditable performances from all these ladies.

Finally, the **5ths** have also had a tremendous season recording 6 wins and 3 losses, are currently lying in 3rd position and have their final match tomorrow. Well played to all ladies and GOOD LUCK to the 3rds and 5ths for their final important matches this coming week!
