Men's League Teams

The season is well under and the first four teams are doing well, with the prospect of winning the Premier League again, as well as getting the 2nd and 3rd teams promoted. The 4th team also has a chance of promotion, but, needs to keep winning. The 5ths, for several reasons, are having a bit of a struggle and, indeed, were deducted 2 points for not being able to field a team in the first match. However, they have recovered a bit and are hopeful of staving off the threat of relegation!

1st team - W4, D0, L0

2nd team - W5, D0, L0

3rd team - W5, D1, L1

4th team - W4, D0, L2

5th team - W1, D1, L3

The 1st team have 3 remaining home matches, which are a great chance to get down and see some top quality tennis. If you haven't already done this then I would recommend that you pop down to the club and see at least one of the matches. All matches start at 6.30pm and the dates are:

Friday 23 June v Hale

Tuesday 11 July v Northern

Tuesday 18 July v Alderley Edge
