Ladies Team Results

There was a lot of nail biting at the end of the summer season, with all teams close to one end or the other of their table. The final positions were cause for celebrations all round as the 3rd team, led by Chris Gerrard finished 2nd meaning a well deserved promotion to the 3rd division. The 2nd and 4th team finished just behind promotion positions and the 1st and 5th stayed clear of the relegation zone.
All this means that next year the club has teams in division 1,2,3,5 and 6.

Well done to ALL players...those who played consistently for 1 team, those who got moved around (special thanks to Lesley, who was a great asset to the 3rds this year) those who rushed back from work or gave up other commitments to play and those who perhaps did not play as many as they would have liked.

Men's Teams Finish on a High!

All matches have now been completed in the summer leagues and it has been a great year.

The 1st team have retained their Premier Division title, but, this year with a very impressive 100% record.

The 2nd team also had a great year and almost had a 100% record.....just slipping up by drawing their penultimate match. However, that didn't prevent them from winning their league decisively and will be joining the 1st team in the Premier next season. Should be a fixture worth watching!

Big congratulations to all the people involved in these 2 teams and, in particular, to Grant Lithgow for managing them so well.

The 3rd team just missed out on promotion when they failed to win the last game against a surprisingly strong mid-table team from Lymm

The 4th team also had a good year and, at one point, looked like an outside chance of promotion, but, ended up a creditable 4th place

The 5th team had a bit more of a struggle, but, recovered from a terrible start where they had 2 points deducted for not fielding a team in the first match and ending up safe from relegation.

The club also did well in the Acton Cup, which is a mixed competition, by reaching the semi-final. Unfortunately, they lost on Monday, to a very good Hale team.

Here's to next year and more success!

On September 10 together with my daughter, we are running a half marathon, The Great North Run up in Newcastle.

Training is going well but I am looking for sponsors. It will be twenty years since my husband Ken lost his life to Pancreatic Cancer, some of you may remember him. We hope to raise funds for Pancreatic Cancer research in his memory and have set up a Just Giving page.

I'd be very grateful to anyone who feels they can sponsor us and as the phrase goes 'Every little helps'

Please follow link to just giving page [here](#) or contact me direct.

Many Thanks
