Projects for the Year

2018 is an exciting year for the Tennis Club with 3 main projects that the Committee are working really hard at:
Replacement of Courts 7 and 8
Refurbishment of the Clubhouse
Re-launch and overhaul of the website
Look out for details in future newsletters and notices in the Clubhouse.
Inevitably there will be some disruption at stages throughout the year but big THANKS to the Committee for all their considerable ongoing input and energy.
The 4 year Vision for the Club will also be displayed on the noticeboard.

Judy Grant.

Wishing our intrepid Head Coach a great time coaching out in Uganda.
Thanks to everyone for their support with fundraising and for the requested donations of children's books, rackets and bras!!

Jon has been raising money for Tennis for All as they require money for tennis equipment. Jon will be taking over equipment to Kampala, Uganda, running coaching sessions as well as delivering a tennis leaders course to young coaches.
