Winter League Teams

Well, the winter season is over and all matches completed by our team in the East Cheshire Winter League. All teams were competing throughout the season either at top or bottom of their league.

The first team were looking good to win Div. 1 for the first time for a lot of the season, but, a couple of unexpected losses towards the end of the season meant they finished 3rd. A great effort by all concerned.

The second team found it very tough going in Div 2 and managed just one win and a draw. Sadly, they will move down a division next season but, hopefully, can bounce straight back.

The third team took it right to the wire in Div. 4 and managed to survive with a draw and narrow defeat in last 2 matches – surviving on a very narrow set difference!

The fourth team had a great season and, having being close in past 2 or 3 years, clinched promotion by finishing 2nd in Div. 7

The fifth team also had a great season and were there or thereabouts for promotion from Div. 9 throughout. Unfortunately, they just missed out and finished in a very creditable 3rd place.

Well done to all the players and, in particular, the team captains for organising.
